## KYMATYC Call for Proposals

Be a part of the **February 25 - 26, 2022** Annual KYMATYC meeting at **The Historic Boone Tavern Hotel & Restaurant in Berea, KY!** Use the form below to indicate your interest in presenting a lecture, workshop, Ignite talk, or poster session. If you have done one of the following, then you are in a key position to present:

- Attended a great workshop
- Implemented a new course or different version of a course previously taught
- Used innovative teaching/learning techniques
- Introducing and evaluation critical thinking in the classroom
- Participated in discussions/debates related to teaching mathematics
- Share a topic that will enrich our understanding if a field of mathematics
- Discuss how you implemented Beyond Crossroads or IMPACT in your classroom

Another option is to lead or take part in a Panel Session. If you are interested in leading one, please let us know in the form below. Some of the ideas for Panel Sessions are:

- Math Pathways
- Corequisite Courses
- Critical Thinking and Active Learning in the classroom
- Online classes
- Quality control of online classes

These are just some ideas for sessions but if you have other topics you would like to address, please feel free to submit them. We would like to hear your ideas.

All presenters will receive **discounted registration\*** for the conference!!

If you do not want to present but you have a concept you would like to share, consider signing up for a poster session using this same form.

We will also be hosting the ninth annual “Ignite” session with all presenters having exactly five minutes to present their topic.

\*\$45 discount per presentation
